

INAUGURAL

trades5k

Saturday, October 10, 2026

Registration opens at 2:30pm

5k begins at 4:10pm

N381 Franklin Road, Oconomowoc

arndorfer.com/trades5k

Join us for this unique 5k experience on a beautiful Lake Country private property, featuring a scenic countryside route along a quiet road—an ideal setting to bring our community together!

5k RUN

Set your own pace and take in the experience with a 5K designed for everyone. Run it your way and be part of a great event.

2k WALK

Enjoy the 2k walk with your friends & family. This walk is about participating in this important mission to build and support our community.

KIDS 1k RUN

The kids join in on the action with a fun, high-energy 1K made just for them. It's all about confidence, excitement, and crossing the finish line strong.

SILENT AUCTION

Bid on items and experiences with proceeds supporting our fellow tradesman. It's a great way to participate and walk away with something you'll truly enjoy!

POST-RUN PARTY

Stick around after the race to refuel and connect with friends and the community. Enjoy food trucks, music, and space to relax.

FIREWORKS

Close out the night with a fireworks show that brings everyone together. It's the perfect finish to a day built on energy and community.

The **TRADES5k Run/Walk** is built for the men and women of the trades - the ones who put in the work and take care of their own. Whether you're a tradesperson, a construction student, part of the broader industry, or simply someone who loves to run, this event is about coming together beyond the jobsite.

More than a race, TRADES5k is a fundraiser supporting the family of a fellow tradesperson who dedicated their time and skill to building and serving the communities we call home. A donation from every registration and sponsorship will go toward helping their family during their time of hardship.

Run, walk, bring your crew, your family, or join us on your own. This event goes beyond the run with food, music, and space to relax and connect after you cross the finish line.

Together, we demonstrate what it truly means to look out for one another. Let's build our community, together.

SUPPORTING OUR FELLOW TRADESMAN JOSH MILLIES

Our fellow tradesman, Joshua P. Millies, age 45, passed away on March 27, 2026, after a courageous battle with cancer, surrounded by his loving family. He is survived by his wife, Nora, and their three daughters, Harlow (16), Reese (13), and Rowan (10).

Josh was a dedicated electrician at Next Electric and a true professional who took pride in his work. Josh will be remembered for who he was, someone who cared deeply for his family, his friends, and his colleagues.

PRESENTING SPONSOR

ARNDORFER

BE STRONG AND COURAGEOUS.

Joshua 1:9

STAND WITH THE TRADES

TRADES5k brings together a community defined by hard work, strength, and looking out for one another.

Sponsorship is not just about visibility. It's about standing behind that standard and supporting a trades family when it matters most. Every partner plays a role in shaping the experience and carrying that mission forward.
